

## Dates for Preschool Visits 2024

Paerata School is a cohort entry school. Therefore, if you have a child who turns 5 during 2024 then please read the following information:

There are **two entry dates per term and 2 preschool visits are required before the child can start in Kākano Reception**. The schedule of visit dates are listed below.

If you have a child who is going to start at our school, please contact the school office at least 10 weeks before their 5th birthday for information about enrolment and preschool visits. Alternatively, you are welcome to complete the online enrolment form. Children must have turned 5 before they can start school.

A parent/caregiver and child need to meet with the Deputy Principal before the first visit. It is not compulsory for children to start primary school until their 6th birthday. The Cohort Entry requirements do not apply to 5 year old students who have transferred from another primary school or for children who have turned 6.
