

New Entrants 2022

A reminder to parents/whanau, who have children due to start school this year, that we have Cohort Entry for new entrants at Paerata School.

There are 2 entry dates per term and 2 preschool visits are required before the child can start in Kākanō Reception. The schedule of visit dates is listed below.

If you have a child who is going to start at our school, please contact the school office at least 10 weeks before their 5th birthday for information about enrolment and preschool visits.

A parent/caregiver and child need to meet with the Deputy Principal before the first visit. It is not compulsory for children to start primary school until their 6th birthday.

The Cohort Entry requirements do not apply to 5 year old students who have transferred from another primary school or for children who have turned 6.
